Health Care Foundation

# ANNUAL REPORT

## April 1, 2025 – March 31, 2026

## Message from the Chair

As I reflect on 2025, I'm excited about the positive changes we've seen at the Pemberton & District Health Care Foundation and what they mean for the future.

We've seen our connection with the community continue to grow. Through increased community engagement and involvement, the Foundation has become more visible, and it's been wonderful to see more people taking notice of the work we're doing and finding ways to be involved.

I'm looking forward to an exciting year ahead and continuing to support the advancement of health care in our community. I'm grateful for the opportunity to work alongside the members of the Pemberton & District Health Care Foundation, Vancouver Coastal Health, and our community as we work together to provide the best health care possible.

Most of all, thank you to everyone who has contributed in any way, big or small, to helping us help you. A special thank you to the Squamish-Lillooet Regional District, Whistler Community Foundation and 100 Men Who Care Whistler for their generous contributions this year. Your support, along with the support of so many others in our community, makes a real difference.

Sincerely,

Rick King
Chair

# 2025 - 2026 HIGHLIGHTS

- Hired our first Executive Director - Sara Wray
- Developed relationships with different community groups including Tourism Pemberton, Pemberton Lions, the Pemberton Museum and Pemberton Farmers Market
- Participated in three Farmer's Markets to engage with the community and reintroduce ourselves and our objectives.
- Participated in the Pemberton Museum's 'Tea and Tales' to talk about the future of health care in Pemberton.
- Established our signature fundraiser - 12 Days of Christmas Raffle

# 12 DAYS OF CHRISTMAS RAFFLE

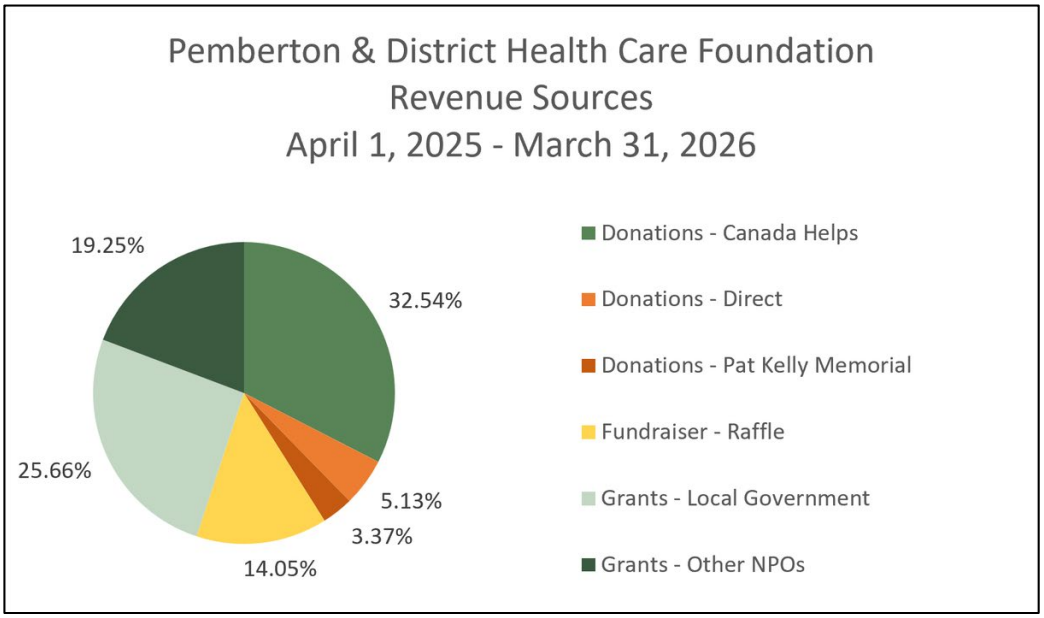

In late November 2025, the Foundation launched its signature 12 Days of Christmas Raffle a new fundraising initiative designed to generate revenue while increasing awareness and engagement within the local community.

The campaign generated $4,284.57 in net proceeds and was made possible through the generous support of 23 businesses across Pemberton and Whistler communities, who contributed prizes to the raffle.

The campaign strengthened the Foundation's community engagement and social media presence. Consistent communications throughout the 12-day campaign provided regular opportunities to promote ticket sales, showcase participating businesses and prizes, announce daily winners, and share the Foundation's work with a broader audience.

The raffle created meaningful opportunities for direct connection with community members. Each winner was personally contacted to coordinate prize delivery, providing an opportunity to engage in conversations about the Foundation, its priorities, and its role in supporting local health care.

# FINANCIALS

# CONTRIBUTORS

We are deeply grateful to the corporations, organizations, governments, communities and individuals for their generous support. Our achievements are only possible because of your generosity.

Thank you for your support.
